No. 356, DATED CALCUTTA, THE 25TH NOVEMBER 1893.

From—C. J. Lyall, Esq., C. S. I., C. I. E., Secretary to the Government of India,

To—The Registrar, Calcutta University.

I AM directed to reply to your letter No. 1892, dated the 16th September last, requesting instructions as to the number of Fellows to be elected by the graduates of the Calcutta University in January next, the qualifications of the candidates for election, and the qualifications of the electors.

2. I am to say that His Excellency the Chancellor has decided to allow three Fellows to be elected again this year. His Excellency hopes that for at least one of the three vacancies, a gentleman eminent for his services to Education or Literature will be selected. Candidates for all the vacancies must be Masters or holders of higher degrees in some Faculty, or Bachelors of Arts who graduated *before the year* 1867. These qualifications should also be required from the electors.

3. I am to observe in this connection that it was the original intention of His Excellency the Chancellor, as previously announced, to require that one of the candidates to be elected this year should be a graduate in Civil Engineering; but His Excellency has been compelled to abandon this idea on account of the very limited number of eligible resident candidates in that Faculty, even if there are any such. His Excellency will, however, be glad to learn whether there are any eligible Engineering candidates, in view either to nominating one of them without election or to making such a restriction as is now under consideration at next year's election.

NOTIFICATIONS.

SALE OF TODDY VEND FARMS FOR 1894-95.

No. 16422—R. F. 210-92, *dated the* 30*th March* 1894.

It is hereby notified by the Government of His Highness the Maharaja of Mysore that the exclusive privilege of selling date toddy in the various classes of farms specified in the subjoined schedule for one year beginning with 1st July 1894 and ending with 30th June 1895, will be sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates and at the places specified in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid farms, or should any of the present farms be unduly large, the officer conducting the sale, may revise, subdivide or otherwise re-arrange the farms subject to the approval of the Excise Commissioner.

2. The exclusive privilege above described will be put up to auction, and will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject any bid at discretion Such formal confirmation will be tantamount to an acceptance of the bid.

3. Parties intending to bid must attend either in person or by duly authorized agents. The successful bidder must, on the exclusive privilege being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent, and if he fails to do so, the deposit already made will be forfeited, and the exclusive privilege will be immediately resold or otherwise disposed of as the Deputy Commissioner may direct.

4. Resales effected under para 3 will be at the risk of the defaulting bidder who will forfeit all gain, and in the event of a loss by the resale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth, and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited; and the exclusive privilege will be resold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

6. A statement of existing shops in each farm and the groves attached to each farm, will be shown to the intending bidders at the time of sale, and every successful bidder will be furnished an extract from this statement showing the groves attached to his farm. The monthly rental of each farm for the year 1893-94 is shown in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(1.) For the supply of toddy to his shops, the licensee shall have the exclusive privilege of manufacturing toddy from the date trees in the groves assigned to his farm; and he shall be at liberty to manufacture toddy from date, palmyra or cocoanut trees in private lands either inside or outside the limits of his farm, on separate free licenses issued under Section 5 of the Excise Act, or to buy it from other farms, under private arrangements between him and the owners of such lands or the licensees of such farms, as the case may be, the selling price of palmyra and cocoanut toddy being fixed by the Excise Commissioner from time to time.

(2.) The exclusive privilege shall extend only to the sale of date, palmyra and cocoanut toddy, and shall not include the sale of bagani toddy.

(3.) The amount for which the privilege has been purchased, shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from July 1894, together with the local cess of one anna on every rupee of such instalment; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent, together with local cess thereon, shall be payable on the 15th of the month following.

(4) The deposit of three months' rent made by the licensee will be taken in payment of the rents due for the last three months of the period of the farm. Failing payment of each monthly rent by the 15th of the next

month, the Deputy Commissioner will recover the same under the rules in force for the recovery of land revenue, together with interest at 6 per cent per annum. No remission or abatement of the rent, shall, on any account whatever, be claimable by the licensee.

(5.) The toddy shall be sold to the public at the rates prescribed by Government.

(6.) The toddy shall be sold pure as drawn from trees, and shall not be adulterated or diluted in any manner in the shops, or depôts if any.

(7.) The licensee shall keep true accounts of the quantity of toddy received and issued to shop-keepers. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized on this behalf.

(8.) The toddy shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner. Tree-foot sales or sales in the open, or the disposal of toddy in any other manner unauthorized by the rules, shall be strictly prohibited.

(9.) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(10.) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending arrack in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending arrack in any part of the farm, to hold any share or interest in his exclusive privilege of selling toddy; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest direct or indirect, in any toddy farm in any Districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(11.) The licensee shall be bound by the provisions of the Excise laws and rules in force or by any additional rules which may from time to time be prescribed under the Excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with permit books for the transport of toddy, which books may be purchased from local Excise officers.

(12.) This farm shall not be transferable except with the permission of the Excise Commissioner.

(13.) The remaining terms and conditions shall be as set forth in the prescribed licenses.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license, and resell the exclusive privilege at the risk of the licensee or to place the farm under the management of Government. When a farm is cancelled, the rent for the whole period of the farm shall become due at once; and all loss caused to Government by the cancelment or resale of the farm shall be made good by the licensee or his surety in the manner specified for resales in para 4 above. All the amounts of such penalties and loss shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition, shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the Excise laws or other enactments or rules for the time being in force.

SALE OF SEPARATE ARRACK SHOPS FOR 1894-95.

No. 16423—*R. F.* 210-92, *dated the* 30*th March* 1894.

1. Notice is hereby given that the right of selling Arrack in each of the separate shops in the tracts specified in the subjoined schedule, for the 12 months beginning with 1st July 1894 and ending with 30th June 1895, will be put up to public auction on the dates and at the places named in the said schedule, by the officers therein mentioned.

2. Each bidder at the auction will deposit a sum of Rs. 60 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The shops will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders and not forfeited as hereinafter provided will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to $\frac{5}{8}$ths of a month's rent for that shop. Should he fail to do so, the deposit made by him under para 2 will be forfeited, the shop will at once be put up again on the above conditions, and he will be debarred from bidding again for the same or for any other shop.

4. Persons to whom shops have been knocked down, and who have made deposits as provided in paras 2 and 3 shall also, within seven days from the date of the auction, deposit such further sum as, with the first and second deposits, will make up an amount equal to three months' rent of each shop knocked down to them; and shall take out licenses and execute counterpart engagements, in the prescribed form, on the conditions hereinafter set forth. On the failure of any person to make the deposit, or to take out licenses or to execute counterpart engagements, as aforesaid, the shop or shops will be resold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

5. Resales effected under para 4 will be at the risk of the defaulting bidder who will forfeit all gain; and in the event of a loss by resale, he will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale, and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

6. A statement showing the details of the consumption of arrack at each shop will be shown to the intending bidders at the time of sale. The amount of rental of each shop for 1893-94, is specified in the appended schedule.

7. The license to be taken out under para 4 above shall be subject to the following conditions, namely :—

(1). The privilege conferred by the license extends only to the sale of arrack of the strength of 20° Under-proof. But it shall not extend to the sale of double-distilled country spirits and other special liquors of whatever strength manufactured at the Government Central Distillery, Bangalore, and which the Foreign liquor shop-keepers alone are permitted to sell.

(2). The amount for which the privilege has been purchased shall be payable into the local Government Treasury in equal monthly instalments commencing from July 1894; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable

on the 15th of the month following. The deposit of 3 months' rent made by the licensee will be taken in payment of the rents due for the last three months of the period of the farm. Failing payment by the 15th of the next month, the Deputy Commissioner shall at once proceed to recover the arrears together with interest at 6 per cent under the rules in force for the collection of land revenue. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(3). The licensee shall purchase the arrack to be sold in his shop from Messrs. Parry and Co., who have been appointed Manufacturers of arrack and other country spirits to the State, at the rate of 10½ annas per gallon of 20° Under-proof delivered at the Distillery, or from a Bonded Depôt established under the sanction of Government. The arrack shall be sold to the public by the licensee at Rs. 5—5—0 per gallon of 20° Under-proof.

(4). The licensee of every shop in the Towns of Bangalore and Mysore shall pay a registration fee under the Municipal Regulation, at the rate of Rs. 180 per annum in advance for the period of the license for his shop; and he shall pay also a license fee of 4 annas per gallon on all arrack sold by him in excess of 55 gallons a month in each.

(5). The above rate to be charged by the Manufacturers and fees are in addition to the Excise duty which shall be prepaid as per following condition (6), at the prescribed rate of Rs. 4 per gallon of 20° Under-proof, before the removal of the arrack from the Bonded Depôt established under the sanction of Government.

(6). The licensee shall pay the above duty and price to a Shroff appointed on this behalf at the cost of the licensee, and located at the Bonded Depôt established for the convenience of the "separate shops", and shall obtain a receipt in the prescribed printed form. On production of such receipt and an indent for the supply of the arrack covered by the receipt, the Bonded Depôt-keeper shall issue the quantity of arrack equal to the amount of duty shown in the said receipt which will be forwarded to the Excise Commissioner's Office under the endorsement of the Bonded Depôt-keeper aforesaid, as to the date and hour when the arrack was issued. The Depôt-keeper aforesaid shall issue a pass in the prescribed form for the transport of arrack from the Bonded Depôt.

(7). The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of arrack, which forms shall be purchased from local Excise officers.

(8). The licensee shall be bound by the rules in force, and which may be issued from time to time by Government.

(9). The remaining terms and conditions shall be as set forth in the prescribed license.

7. In case of any breach of the above conditions either by the licensee, or with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and to resell the privilege at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his shop on 1st July 1894, shall be made good by him. When a farm is cancelled, the rent for the whole period of the farm shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

8. The penalties laid down in the last preceding clause shall not exempt the licensee or his employés from prosecution for any offence committed against the Excise laws or rules in force.

SALE OF ARRACK VEND FARMS FOR 1894-95.

Notification No. 16424—R. F. 210-92, *dated*, 30*th March* 1894.

1. It is hereby notified by the Government of His Highness the Maharaja of Mysore that the exclusive privilege of selling Arrack in the defined tracts specified in the subjoined schedule for the 12 months beginning with 1st July 1894 and ending with 30th June 1895 will be sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates and at the places specified in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid tracts singly, the officer conducting the sale may revise the tracts at discretion, clubbing together more than one tract, or selling the tracts by taluks, or if necessary, reserving special tracts in which there may at present be no shops, for disposal afterwards.

2. The exclusive privilege above described will be put up to auction, farm by farm, and each farm put up to auction will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the bid at discretion. Such formal confirmation will be tantamount to an acceptance of the bid.

3. Parties intending to bid must attend either in person or by duly authorized agents. The successful bidder must, on the farm being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent, and if he fails to do so, the deposits already made will be forfeited, and the exclusive privilege will be immediately resold or otherwise disposed of as the Deputy Commissioner may direct.

4. Resales effected under para 3 will be at the risk of the defaulting bidder who will forfeit all gain, and in the event of a loss by the resale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth, and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited; and the exclusive privilege will be resold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

6. A statement showing the details of consumption of Arrack in the shops of the existing farms will be shown to the intending bidders at the time of sale. The amount of rental of each farm for the year 1893-94, is specified in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions :—

(1.) The exclusive privilege shall extend only to the sale of Arrack ordinarily of 20° Under-proof, and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of 30° Under-proof. But it shall not extend to the sale of double-distilled country spirits and other special liquors of whatever strength manufactured at the Government Central Distillery, Bangalore, and which the Foreign liquor shop-keepers alone are permitted to sell.

(2.) The amount for which the privilege has been purchased shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from July 1894; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on the 15th of the month following.

(3.) The deposit of three months' rent made by the licensee, will be taken in payment of the rents due for the last three months of the period of the farm. Failing payment of each monthly rent by the 15th of the next month, the Deputy Commissioner will recover the same under the rules in force for the recovery of land revenue, together with interest at 6 per cent per annum. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(4.) (*a*) The licensee shall purchase Arrack for issue to his shops from Messrs. Parry and Co., who have been appointed Manufacturers of Arrack and other country spirits to the State, or from any Bonded Depôt established under the sanction of Government. The rate to be charged by the said Manufacturers for Arrack supplied by them, shall be 10½ annas per gallon of 20° Under-proof, and proportionate rates for lower strengths in accordance with Casella's rules. The licensee shall sell arrack to the public at Rs. 5—5—0 per gallon of 20° Under-proof, and at proportionate rates for lower strengths.

(*b*) The above rate to be charged by the Manufacturer, is in addition to excise duty which shall be prepaid into the local Government Treasury, as per condition (6), at Rs. 4, before the removal of Arrack from the Distillery, or from any Bonded Depôt established under the sanction of Government.

(5.) The licensee shall pay the above duty into the local Taluk Treasury and obtain a receipt in the prescribed form. On production of such receipt and an indent for the supply of Arrack covered by the receipt, and on payment of the prescribed price of such Arrack to the Manufacturers or their agent, or any person appointed by Government on this behalf, the Assistant Supervisor or other officer in charge of the Distillery or the Bonded Depôt-keeper shall issue the quantity of Arrack equal to the amount of duty shown in the Treasury Officer's receipt which will be forwarded to the Excise Commissioner's Office under the endorsement of the Assistant Supervisor or other officer or Bonded Depôt-keeper aforesaid as to the date and hour when the arrack was issued. The Assistant Supervisor or other officer aforesaid shall issue a pass in duplicate in the prescribed form, under the rules in force for the transport of the Arrack from the Distillery or Warehouse. The licensee who obtains Arrack from a Bonded Depôt shall pay both the price of arrack and duty into the local Taluk Treasury.

(6.) The licensee in the Bangalore District shall maintain at a place or places within his farm, where it may be considered necessary by him and the Deputy Commissioner, a Depôt or Depôts to which all Arrack purchased by him shall be conveyed in the first instance for verification, &c., of the consignment under the rules in force, before issue to the shop-keepers. The Depôts shall at all times be open to inspection by the Deputy Commissioner or any officer of the Excise Department. No such Depôt shall be opened without a license from the Deputy Commissioner in the prescribed form. The licensees in the remaining seven Districts will draw their supplies from, and deposit the same for issue to their shops in, the existing Bonded Depôts, the cost of the establishments and rent whereof being paid by them as at present.

(7.) The Arrack shall be sold as issued from the Distillery, Bonded Depôt, or Farm Depôt and shall not be adulterated or diluted in any manner in the shops.

(8.) The licensee shall keep true accounts of the quantity and strength of the arrack purchased by him and issued to shop-keepers. The passes issued with the liquor purchased by him shall be subject to examination and check under the Rahadari rules in force or which may be issued by Government from time to time.

(9.) The Arrack shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(10.) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(11.) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending toddy in any part of the farm, to hold any share or interest in his exclusive privilege of selling Arrack; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any Arrack farm in any Districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(12.) The licensee shall be bound to take over any Arrack which may remain as stock in hand, belonging to the out-going farmer, on the 1st July 1894 in the existing Bonded Depôt in his farm or in the Farm Depôt or in his shops, paying to the old farmer such compensation for the same as may be fixed by the Excise Commissioner.

(13.) The licensee shall be bound by the provisions of the Excise laws and rules in force or by any additional rules which may from time to time be prescribed under the Excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the prescribed forms of accounts and permits or passes for the transport of liquor, which forms shall be purchased from the local Excise Officers.

(14.) The Farm shall not be transferable except with the permission of the Excise Commissioner.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon

the licensee a fine not exceeding the sum of Rs. 50 for every such breach of such conditions, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and resell the exclusive privilege at the risk of the licensee or to place the farm under the management of Government; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business by opening his shops on 1st July 1894, should be made good by the licensee. When a farm is cancelled, the rent for the whole period of the farm shall become due at once. All the amounts of such penalties and loss shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the Excise laws for the time being in force.

SALE OF TODDY VEND FARMS FOR 1894-95.

No. 16422—R. F. 210-92, *dated the* 30*th March* 1894.

It is hereby notified by the Government of His Highness the Maharaja of Mysore that the exclusive privilege of selling date toddy in the various classes of farms specified in the subjoined schedule for one year beginning with 1st July 1894 and ending with 30th June 1895, will be sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates and at the places specified in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid farms, or should any of the present farms be unduly large, the officer conducting the sale, may revise, subdivide or otherwise re-arrange the farms subject to the approval of the Excise Commissioner.

2. The exclusive privilege above described will be put up to auction, and will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject any bid at discretion Such formal confirmation will be tantamount to an acceptance of the bid.

3. Parties intending to bid must attend either in person or by duly authorized agents. The successful bidder must, on the exclusive privilege being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent, and if he fails to do so, the deposit already made will be forfeited, and the exclusive privilege will be immediately resold or otherwise disposed of as the Deputy Commissioner may direct.

4. Resales effected under para 3 will be at the risk of the defaulting bidder who will forfeit all gain, and in the event of a loss by the resale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth, and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited; and the exclusive privilege will be resold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

6. A statement of existing shops in each farm and the groves attached to each farm, will be shown to the intending bidders at the time of sale, and every successful bidder will be furnished an extract from this statement showing the groves attached to his farm. The monthly rental of each farm for the year 1893-94 is shown in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(1.) For the supply of toddy to his shops, the licensee shall have the exclusive privilege of manufacturing toddy from the date trees in the groves assigned to his farm; and he shall be at liberty to manufacture toddy from date, palmyra or cocoanut trees in private lands either inside or outside the limits of his farm, on separate free licenses issued under Section 5 of the Excise Act, or to buy it from other farms, under private arrangements between him and the owners of such lands or the licensees of such farms, as the case may be, the selling price of palmyra and cocoanut toddy being fixed by the Excise Commissioner from time to time.

(2.) The exclusive privilege shall extend only to the sale of date, palmyra and cocoanut toddy, and shall not include the sale of bagani toddy.

(3.) The amount for which the privilege has been purchased, shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from July 1894, together with the local cess of one anna on every rupee of such instalment; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent, together with local cess thereon, shall be payable on the 15th of the month following.

(4) The deposit of three months' rent made by the licensee will be taken in payment of the rents due for the last three months of the period of the farm. Failing payment of each monthly rent by the 15th of the next

month, the Deputy Commissioner will recover the same under the rules in force for the recovery of land revenue, together with interest at 6 per cent per annum. No remission or abatement of the rent, shall, on any account whatever, be claimable by the licensee.

(5.) The toddy shall be sold to the public at the rates prescribed by Government.

(6.) The toddy shall be sold pure as drawn from trees, and shall not be adulterated or diluted in any manner in the shops, or depôts if any.

(7.) The licensee shall keep true accounts of the quantity of toddy received and issued to shop-keepers. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized on this behalf.

(8.) The toddy shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner. Tree-foot sales or sales in the open, or the disposal of toddy in any other manner unauthorized by the rules, shall be strictly prohibited.

(9.) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(10.) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending arrack in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending arrack in any part of the farm, to hold any share or interest in his exclusive privilege of selling toddy; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest direct or indirect, in any toddy farm in any Districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(11.) The licensee shall be bound by the provisions of the Excise laws and rules in force or by any additional rules which may from time to time be prescribed under the Excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with permit books for the transport of toddy, which books may be purchased from local Excise officers.

(12.) This farm shall not be transferable except with the permission of the Excise Commissioner.

(13.) The remaining terms and conditions shall be as set forth in the prescribed licenses.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license, and resell the exclusive privilege at the risk of the licensee or to place the farm under the management of Government. When a farm is cancelled, the rent for the whole period of the farm shall become due at once; and all loss caused to Government by the cancelment or resale of the farm shall be made good by the licensee or his surety in the manner specified for resales in para 4 above. All the amounts of such penalties and loss shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition, shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the Excise laws or other enactments or rules for the time being in force.

SALE OF SEPARATE ARRACK SHOPS FOR 1894-95.

No. 16423—*R. F.* 210-92, *dated the* 30*th March* 1894.

1. Notice is hereby given that the right of selling Arrack in each of the separate shops in the tracts specified in the subjoined schedule, for the 12 months beginning with 1st July 1894 and ending with 30th June 1895, will be put up to public auction on the dates and at the places named in the said schedule, by the officers therein mentioned.

2. Each bidder at the auction will deposit a sum of Rs. 60 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The shops will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders and not forfeited as hereinafter provided will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to $\frac{5}{8}$ths of a month's rent for that shop. Should he fail to do so, the deposit made by him under para 2 will be forfeited, the shop will at once be put up again on the above conditions, and he will be debarred from bidding again for the same or for any other shop.

4. Persons to whom shops have been knocked down, and who have made deposits as provided in paras 2 and 3 shall also, within seven days from the date of the auction, deposit such further sum as, with the first and second deposits, will make up an amount equal to three months' rent of each shop knocked down to them; and shall take out licenses and execute counterpart engagements, in the prescribed form, on the conditions hereinafter set forth. On the failure of any person to make the deposit, or to take out licenses or to execute counterpart engagements, as aforesaid, the shop or shops will be resold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

5. Resales effected under para 4 will be at the risk of the defaulting bidder who will forfeit all gain; and in the event of a loss by resale, he will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale, and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

6. A statement showing the details of the consumption of arrack at each shop will be shown to the intending bidders at the time of sale. The amount of rental of each shop for 1893-94, is specified in the appended schedule.

7. The license to be taken out under para 4 above shall be subject to the following conditions, namely :—

(1). The privilege conferred by the license extends only to the sale of arrack of the strength of 20° Under-proof. But it shall not extend to the sale of double-distilled country spirits and other special liquors of whatever strength manufactured at the Government Central Distillery, Bangalore, and which the Foreign liquor shop-keepers alone are permitted to sell.

(2). The amount for which the privilege has been purchased shall be payable into the local Government Treasury in equal monthly instalments commencing from July 1894; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable

on the 15th of the month following. The deposit of 3 months' rent made by the licensee will be taken in payment of the rents due for the last three months of the period of the farm. Failing payment by the 15th of the next month, the Deputy Commissioner shall at once proceed to recover the arrears together with interest at 6 per cent under the rules in force for the collection of land revenue. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(3). The licensee shall purchase the arrack to be sold in his shop from Messrs. Parry and Co., who have been appointed Manufacturers of arrack and other country spirits to the State, at the rate of 10½ annas per gallon of 20° Under-proof delivered at the Distillery, or from a Bonded Depôt established under the sanction of Government. The arrack shall be sold to the public by the licensee at Rs. 5—5—0 per gallon of 20° Under-proof.

(4). The licensee of every shop in the Towns of Bangalore and Mysore shall pay a registration fee under the Municipal Regulation, at the rate of Rs. 180 per annum in advance for the period of the license for his shop; and he shall pay also a license fee of 4 annas per gallon on all arrack sold by him in excess of 55 gallons a month in each.

(5). The above rate to be charged by the Manufacturers and fees are in addition to the Excise duty which shall be prepaid as per following condition (6), at the prescribed rate of Rs. 4 per gallon of 20° Under-proof, before the removal of the arrack from the Bonded Depôt established under the sanction of Government.

(6). On production of such receipt and an indent for the supply of the arrack covered by the receipt, the Bonded Depôt-keeper shall issue the quantity of arrack equal to the amount of duty shown in the said receipt which will be forwarded to the Excise Commissioner's Office under the endorsement of the Bonded Depôt-keeper aforesaid, as to the date and hour when the arrack was issued. The Depôt-keeper aforesaid shall issue a pass in the prescribed form for the transport of arrack from the Bonded Depôt.

(7). The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of arrack, which forms shall be purchased from local Excise officers.

(8). The licensee shall be bound by the rules in force, and which may be issued from time to time by Government.

(9). The remaining terms and conditions shall be as set forth in the prescribed license.

7. In case of any breach of the above conditions either by the licensee, or with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and to resell the privilege at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his shop on 1st July 1894, shall be made good by him. When a farm is cancelled, the rent for the whole period of the farm shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

SALE OF ARRACK VEND FARMS FOR 1894-95.

Notification No. 16424—R. F. 210-92, *dated,* 30*th March* 1894.

1. It is hereby notified by the Government of His Highness the Maharaja of Mysore that the exclusive privilege of selling Arrack in the defined tracts specified in the subjoined schedule for the 12 months beginning with 1st July 1894 and ending with 30th June 1895 will be sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates and at the places specified in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid tracts singly, the officer conducting the sale may revise the tracts at discretion, clubbing together more than one tract, or selling the tracts by taluks, or if necessary, reserving special tracts in which there may at present be no shops, for disposal afterwards.

2. The exclusive privilege above described will be put up to auction, farm by farm, and each farm put up to auction will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the bid at discretion. Such formal confirmation will be tantamount to an acceptance of the bid.

3. Parties intending to bid must attend either in person or by duly authorized agents. The successful bidder must, on the farm being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent, and if he fails to do so, the deposits already made will be forfeited, and the exclusive privilege will be immediately resold or otherwise disposed of as the Deputy Commissioner may direct.

4. Resales effected under para 3 will be at the risk of the defaulting bidder who will forfeit all gain, and in the event of a loss by the resale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth, and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited; and the exclusive privilege will be resold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

6. A statement showing the details of consumption of Arrack in the shops of the existing farms will be shown to the intending bidders at the time of sale. The amount of rental of each farm for the year 1893-94, is specified in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions :—

(1.) The exclusive privilege shall extend only to the sale of Arrack ordinarily of 20° Under-proof, and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of 30° Under-proof. But it shall not extend to the sale of double-distilled country spirits and other special liquors of whatever strength manufactured at the Government Central Distillery, Bangalore, and which the Foreign liquor shop-keepers alone are permitted to sell.

(2.) The amount for which the privilege has been purchased shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from July 1894; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on the 15th of the month following.

(3.) The deposit of three months' rent made by the licensee, will be taken in payment of the rents due for the last three months of the period of the farm. Failing payment of each monthly rent by the 15th of the next month, the Deputy Commissioner will recover the same under the rules in force for the recovery of land revenue, together with interest at 6 per cent per annum. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(4.) (*a*) The licensee shall purchase Arrack for issue to his shops from Messrs. Parry and Co., who have been appointed Manufacturers of Arrack and other country spirits to the State, or from any Bonded Depôt established under the sanction of Government. The rate to be charged by the said Manufacturers for Arrack supplied by them, shall be 10½ annas per gallon of 20° Under-proof, and proportionate rates for lower strengths in accordance with Casella's rules. The licensee shall sell arrack to the public at Rs. 5—5—0 per gallon of 20° Under-proof, and at proportionate rates for lower strengths.

(*b*) The above rate to be charged by the Manufacturer, is in addition to excise duty which shall be prepaid into the local Government Treasury, as per condition (6), at Rs. 4, before the removal of Arrack from the Distillery, or from any Bonded Depôt established under the sanction of Government.

(5.) The licensee shall pay the above duty into the local Taluk Treasury and obtain a receipt in the prescribed form. On production of such receipt and an indent for the supply of Arrack covered by the receipt, and on payment of the prescribed price of such Arrack to the Manufacturers or their agent, or any person appointed by Government on this behalf, the Assistant Supervisor or other officer in charge of the Distillery or the Bonded Depôt-keeper shall issue the quantity of Arrack equal to the amount of duty shown in the Treasury Officer's receipt which will be forwarded to the Excise Commissioner's Office under the endorsement of the Assistant Supervisor or other officer or Bonded Depôt-keeper aforesaid as to the date and hour when the arrack was issued. The Assistant Supervisor or other officer aforesaid shall issue a pass in duplicate in the prescribed form, under the rules in force for the transport of the Arrack from the Distillery or Warehouse. The licensee who obtains Arrack from a Bonded Depôt shall pay both the price of arrack and duty into the local Taluk Treasury.

(6.) The licensee in the Bangalore District shall maintain at a place or places within his farm, where it may be considered necessary by him and the Deputy Commissioner, a Depôt or Depôts to which all Arrack purchased by him shall be conveyed in the first instance for verification, &c., of the consignment under the rules in force, before issue to the shop-keepers. The Depôts shall at all times be open to inspection by the Deputy Commissioner or any officer of the Excise Department. No such Depôt shall be opened without a license from the Deputy Commissioner in the prescribed form. The licensees in the remaining seven Districts will draw their supplies from, and deposit the same for issue to their shops in, the existing Bonded Depôts, the cost of the establishments and rent whereof being paid by them as at present.

(7.) The Arrack shall be sold as issued from the Distillery, Bonded Depôt, or Farm Depôt and shall not be adulterated or diluted in any manner in the shops.

(8.) The licensee shall keep true accounts of the quantity and strength of the arrack purchased by him and issued to shop-keepers. The passes issued with the liquor purchased by him shall be subject to examination and check under the Rahadari rules in force or which may be issued by Government from time to time.

(9.) The Arrack shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(10.) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(11.) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending toddy in any part of the farm, to hold any share or interest in his exclusive privilege of selling Arrack; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any Arrack farm in any Districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(12.) The licensee shall be bound to take over any Arrack which may remain as stock in hand, belonging to the out-going farmer, on the 1st July 1894 in the existing Bonded Depôt in his farm or in the Farm Depôt or in his shops, paying to the old farmer such compensation for the same as may be fixed by the Excise Commissioner.

(13.) The licensee shall be bound by the provisions of the Excise laws and rules in force or by any additional rules which may from time to time be prescribed under the Excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the prescribed forms of accounts and permits or passes for the transport of liquor, which forms shall be purchased from the local Excise Officers.

(14.) The Farm shall not be transferable except with the permission of the Excise Commissioner.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon

the licensee a fine not exceeding the sum of Rs. 50 for every such breach of such conditions, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and resell the exclusive privilege at the risk of the licensee or to place the farm under the management of Government; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business by opening his shops on 1st July 1894, should be made good by the licensee. When a farm is cancelled, the rent for the whole period of the farm shall become due at once. All the amounts of such penalties and loss shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit, or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employès for any offence punishable under the Excise laws for the time being in force.

3. All matters to be discussed at a meeting shall be previously published in the Mysore Gazette and also brought to the notice of the members by a printed circular in English and Kanarese issued at least 7 days before the meeting.

(*b*) If any proposition sent by any Commissioner be, in the opinion of the President, not fit to be brought before the Board, he shall communicate his reasons to the proposer, but if the latter insists upon such proposition being brought forward before the Board, and he is supported by any other Commissioner, the President shall do so.

3. All matters to be discussed at a meeting shall be previously published in the Mysore Gazette and also brought to the notice of the members by a printed circular in English and Kanarese issued at least 7 days before the meeting.

4. If at the hour fixed for a meeting no quorum be present, the President shall allow 15 minutes to elapse before he adjourns the meeting.

Bye-laws framed under the provisions of Section 225 of the Municipal Regulation for the City of Mysore.

3. All matters to be discussed at a meeting shall be previously published in the Mysore Gazette and also brought to the notice of the members by a printed circular in English and Kanarese issued at least 7 days before the meeting.

4. If at the hour fixed for a meeting no quorum be present, the President shall allow 15 minutes to elapse before he adjourns the meeting.

7. No member, without the President's permission, can speak twice upon any motion or amendment except the mover in reply.

8. If the President or any Commissioner demands a poll, votes shall ordinarily be taken by show of hands, unless in any special case any Commissioner demand votes by ballot.

9. Every proposal shall be in writing, but, unless required by the President, the proposal need not be seconded: amendments need not be in writing.

10. All questions from one Commissioner to another relating to the business of the meeting shall be put through the President.

11. The meetings of the Municipal Commissioners are, as a rule, open to the public; but strangers may be requested by the Board to withdraw if necessary.

12. The Vice-President shall exercise the functions and powers of the President under these bye-laws, unless the President in writing reserves any of the powers mentioned therein to himself.

13. The Municipal Engineer will prepare and submit through the President all surveys, plans and estimates required by the Commissioners and will be guided by the rules to be framed hereafter.

14. The monthly account current, the progress report of the Public Works Department, Mohatarfa accounts and statements, the mortuary return and returns of patients treated in several Municipal Dispensaries will be laid on the table of the Municipal office 3 days before the date of each monthly meeting previous to their being adopted at the meeting.
